United States District Court for the Southern District of New York

Re: *Nat'l Football League Players Ass'n et al. v. DraftKings Inc. et al.*, No. 1:24-cv-06407-AT

Dear Judge Torres:

The parties in the above-captioned action respectfully submit this joint motion for a 60-day stay of this action, until March 28, 2025.

The parties have mediated their dispute and reached a non-binding settlement in principle, subject to the mutual execution of a definitive settlement agreement. The parties therefore respectfully request a 60-day stay of this action (including a stay on a decision on Defendants' pending motion to dismiss, *see* Dkt. 31) to enable the parties to execute a definitive settlement agreement.

The parties thank the Court for its time and attention to this matter.

Respectfully submitted,

By: /s/ David Greenspan
